PRIMUS International College

Pioneer | Righteousness | Imagination | Mission | Unity | Service

PRIMUS, derived from Latin, means 'the best' and 'the leader,' and it is also the acronym representing the first letters of teaching, vision, talent, strategy, and other aspects of Dankook University.

“*PRIMUS International College is the flagship global college of Dankook University.*”

PRIMUS International College offers undergraduate programs primarily in English for both domestic and international students. Especially for international students, they can fully immerse themselves in university life without significant language barriers.

PRIMUS International College also offers a curriculum for students who wish to major in the Korean track programs. The Department of Acting and Filmmaking is exclusively for international students, as is the School of Global Core Education, which is aimed at improving the Korean language skills of all students in the Korean track programs.

English Track

International Business Administration

Educates students with the skills and knowledge for thriving careers in the global business landscape

Korean Studies**

Comprehensive understanding of Korea that extends beyond language skills

Mobile Systems Engineering

Explore wireless communication technologies and prepare students to make an impact in the technology field

Bio and Material Engineering**

A key field that interacts with various technologies of the Fourth Industrial Revolution to achieve innovative advancements

Korean Track

Acting and Filmmaking**

Comprehensive training in performing arts and film production: hands-on experience and theoretical education for successful careers in acting, directing, and filmmaking
