

Invited Lecture

**Bio-active restorative materials
- antibacterial restoratives and others -**

연 자

Imazato Satoshi DDS, PhD

President, International Association of Dental Research
Professor, Osaka University Graduate School of Dentistry

일 시

2023년 10월 25일 (수) 오후 4시 30분

장 소

단국대학교 천안캠퍼스 치과대학 연송홀 (1층)

Profile

Occupation : Professor and Chair, Department of Dental Biomaterials
Professor, Joint Research Laboratory of Advanced Functional Materials Science
Director, Center for Innovative Dentistry
Osaka University Graduate School of Dentistry

Education : 1986 DDS, Osaka University, School of Dentistry
1992 PhD, Osaka University

Activities at Intl. Org. : 2023 June-present IADR, President Elect
2008-2009 IADR, Dental Materials Group, President

Awards : IADR, Distinguished Scientist Award (Wilmer Souder Award), 2020
International Union of Societies for Biomaterials Science and Engineering, Fellow, 2020
Prize of Japanese Society for Dental Materials and Devices, 2020

주 최 : 조직재생공학연구소, 치의학연구소, 생체재료학교실

후 원 :  단국대학교  교육부  NRF  행복충남
충청남도  천안시
Daejeon

사업명 : 대학 중점연구소 후속사업
