

OASIS

Overall Assistance for
Startup Immigration System

창업이민종합지원시스템

We have established OASIS (Overall Assistance for Startup Immigration System) to support activities of foreigners who are preparing a start-up in Korea. OASIS-4(Start-up Class), OASIS-5(Boot Camp) and OASIS-8 programs are designed to provide opportunities to 'enhance understanding of the business environment and strengthen start-up capabilities'.

We encourage potential candidates who want to establish a start-up to participate.

Overview

- Eligibility** | Foreigners who wish to establish a domestic corporation, obtain a technology start-up visa, and engage in start-up activities.
- Objective** | Support for foreigners creating a domestic tech start-up by providing programs such as education, mentoring, and corporate establishment.
- Number Admitted** | A total of 60 to 90 people (approximately 20 to 30 people by region)
- Recruitment area** | Gyeongsang (September), Jeolla (October) and Chungcheong (November)

Education Center	Gyeongsang Region	Busan SU-space center, 7-5, Jungang-daero 214beon-gil, Dong-gu, Busan
